Tableau Desktop 10.0 or Tableau Public 10.0:

- If needed, Tableau 10.0 may be installed alongside previous versions

- Tableau Public users will need to download the data files from Packt, but will need to open workbooks directly from Tableau Public using the links available here: https://goo.gl/wJzfDO

PC:

- Windows 7 or newer (32 or 64 bit)
- 2 GB RAM
- 1.5 GB free disk space

Mac (only one exercise, marked in the book, will not work on the Mac; everything else will work using either PC or Mac):

- iMac / MacBook 2009 or newer
- OS X 10.10 or newer
- 1.5 GB free disk space
